Greetings to all,

As the summer quickly winds down, we would like to take this opportunity to thank the community members for their support and participation this year. By keeping the lines of communication open, we continue to strive to make each year better than the past and your support and feedback is appreciated.

On that note, just a few important community items to consider as the summer comes to a close:

- ❖ *Lockers* must be cleaned out by **September 30<sup>th</sup>**. Please remove all chairs, umbrellas and any other items that may be stored in the locker. Any items left in lockers will be considered unwanted and deposited in the trash.
- ❖ *Street cleaning* will take place, **September 17 and 19**; please park all cars in driveways; off the street for ease of cleaning.
- ❖ The *entrance signs* at Mark and Richard Streets will temporarily be removed to be reconditioned.
- ❖ Although Hurricane Florence is not a direct threat to us, reviewing the *hurricane preparedness* procedures is always a good idea. Please refer to the following website for more information: <https://www.nassaucountyny.gov/oem>

On behalf of the entire Atlantic Beach Estates Association we thank you and hope you have had a wonderful summer and hope to see you at our next community event!

Best,

Salvatore Gargano

President
